Reasons for Safety

THE HICKMAN BANK

\$50,000.00 Has Capital of 15,000.00 Surplus Fund Making a total of -\$65,000.00

which stands, not as the total security, but as the margin of security protecting our depositors.

Every dollar of this must be lost before any depositor can lose a penny.

This is a STATE bank, operated under the strict banking laws of Kentucky.

At least four sworn reports are made each year. Its funds are protected by a modern Burglar Proof Steel Safe and Vault, and are insured against burglary

and sneak thieves. Its officers and employees are under bond for the faithful discharge of their duties.

All of these things, coupled with careful, conservative management, assure the patrons of that supreme safety which is the prime essential of a good bank.

A Significant Fact

Go to any dealer in secondhand machines and ask for an

UNDERWOOD

TYPEWRITER

He will tell you that the Underwood will cost you more than any other machine in his shop-

Because the Underwoods that come to him-even after months of wear-are in almost perfect condition and as serviceable as new machines. He will tell you too, that he can sell more Underwoods than he can buy.

Every general dealer in Typewriters knows that the Underwood will stand the wear and tear of every day business use better than any oth-

> Let us show you the reason for this and you will see why the Underwood is

"The Machine You Will Eventually Buy."
